

## White Night K' Road Programme

Join us from 6pm – midnight on Sat 18 March for a night of art K' Road-style. From Pacific art, to emerging art to the work of local and international artisans, art in all its forms will be on display as K' Road's galleries and studio spaces join in celebrating Auckland Art Festival's White Night.

### White Night K' Road highlights include:

Roving performances by glow-suit dance troupe Vospetron and the Mary Jane O'Reilly White Knights Marching Girls, a cycle-through by The White Face Crew, a display by Unitec Bachelor of Creative Enterprise students at Cross St Arcade and a Fafswag Ball courtesy of Artspace.
