

KARANGAHAPE ROAD BUSINESS ASSOCIATION

# COVID-19 SUPPORT

A GUIDE TO HELP YOU GET THROUGH

We have prepared this helpful guide to help direct you to information, support and business advice during the Covid-19 period.

The process has three phases: Lockdown, Transition and Recovery - each with its unique challenges.

A comprehensive list of links and information has been provided for each one.

[www.kroad.com](http://www.kroad.com)

## 01 Lockdown

**This phase will be characterised by**

Crisis decisions/ quick actions  
Central government support

## 02 Transition

**This phase will be characterised by**

Building capacity for recovery and transition  
Up to the minute communications  
Regional and local support  
Loosening of government rules

## 03 Recovery

**This phase will be characterised by**

Getting people back to places  
Possible border restrictions  
Widespread business and job losses
